

# **BUTTON BINGO**

Gather your household (or call up a few friends virtually) and get ready for a classic game of bingo with a Mountaineer twist. Print your cards and bingo pieces, cut them out and put your pieces in a basket or hat (whatever you have around the house). Then, choose someone to pick and call out the buttons for each round. Feel free to come up with your own unique prizes (an extra square of toilet paper, perhaps?). **Let the fun begin!**
