At West Virginia University, we are determined to go first. It's in our blood. It's in our sweat. And it's in our nature. Here, going first means we're bold enough to dream big, to take risks. It's why we go to the edge and instead of going back—we build a bridge and we keep going so we will go above. We will go beyond. And when everyone else goes back Mountaineers go first.

WELL

150 minutes of exercise each week to stay fit.

Smoothies: kale, spinach, kale, spinach, kale.

I love spinach! It makes me feel super healthy!

Always pack up my sandwiches with veggies.

Meghan says "Hey".

Gotta get that fresh multivitamin 1x day.
