

WHAT WE DO

Academic strengths in a broad range of disciplines, from STEM to arts and culture	Committed faculty, dedicated to mentorship and support	Unparalleled opportunities for student involvement in internships and research	Enhanced experience through learning communities and collaborations
---	--	--	---

Academic engagement and excellence

WHAT WE DELIVER

Leading the nation in fields we are uniquely prepared to address	Opportunities for collaborations across the university to tackle the pressing issues	Determined approach that leads to creative solutions	High-tech, innovative spaces for ideas, startups, and entrepreneurs at the LaunchLab
--	--	--	--

World-changing innovation and research

WHY WE MATTER

Community and statewide initiatives that advance economic development and contribute to culture	Access through scholarships and specialized support for first-generation students	Partnerships with corporations and businesses through the Business Engagement Center	Upholding our land-grant mission
---	---	--	----------------------------------

Economic and social engine for our state and beyond

Relentless in our pursuit of solutions and discoveries that matter

Create the ideas and opportunities that shape and advance our state, nation, and world

Core Message

Attributes (what we offer)

At West Virginia University, we are...

Benefits (what they get)

So we...

Become character-driven, entrepreneurial leaders

Prepared, motivated, and confident in their knowledge and abilities	Lifelong learners and collaborators with strong social and communication skills	A network and community of mentors and supporters
---	---	---

Make a lasting impact in critical areas of expertise

Contribution through energy, water quality, rural health, and forensics and biometrics	Resilience to try new approaches, pushing for a better outcome	Practicality to envision the outcome
--	--	--------------------------------------

Enhance overall health and vitality of society

Community and statewide initiatives that advance economic development and contribute to culture	Opening doors to a stronger, brighter future	Stewards of the state's economy and culture
---	--	---
